SNAP Resource Requirements

There is no resource requirement for most households. However, the following households remain subject to the SNAP resource limits:

- Households with a member who is either disqualified from the SNAP program because of an intentional program violation (IPV) or a sanction, or
- Households with a member who is aged or disabled whose gross income is more than 200% of the FPL.

Household who are subject to the resource requirement

A household which does not include an elderly or disabled member: \$3,000
 A household which includes an elderly or disabled member: \$4,500
